

Customer Compass

**** Important Announcement ****

Community at <https://community.collibra.com> has replaced Compass as the main hub for Collibra resources.

It is the primary resource for information, and downloadable content relating to Collibra.

It also provides a place where Collibra customers and partners can connect and interact with each other and with Collibra team members.

This site is NOT accepting new registrations.

**** If you have questions, please email Community@collibra.com ****

Product Documentation

The only content Compass will host moving forward is official product documentation and it will be cross-linked from the Community site.

Body of Knowledge

The Body of Knowledge - there is a new updated version available on Collibra University.

Collibra University

Collibra University offers dozens of free classes, tutorials and certifications. Its content is growing rapidly as we continue to invest in helping our customers learn so they can succeed.
